

How does Receiving Day and Pick Up Day work?

DROP OFF/RECEIVING DAYS

- Appointment is necessary.
- Bring all clothes separated by size and gender. Please allow 10-20 minutes for drop-off.
- ALL clothes MUST have a number size (2T, 24 mo, 6, etc.). Even if the label tag has a letter size (S,M, L, etc.), put a number size on your tag. Whatever number size corresponds most closely with the letter size on the garment
- All clothing items and shoes will be inspected. Once approved, our volunteers will put them out.
- All other types of items have specific drop off areas. You will be shown where to put those items.

PICK UP DAY

- Pick up day will be the Friday and Saturday after the sale. Please check the website for times.
- You must have an appointment for pick up day.
- Simply walk in, tell the person at the desk your name and consignor number. Our volunteers will gather your items for you.
- All items left after Saturday at closing will be donated. NO EXCEPTIONS.
- If you cannot come to pick up day, you may send a representative, friend, family member, etc., to pick up your check and items for you. Please let us know by writing a note or sending a text or email.
- All checks not picked up that day will be put in the mail.
